

EDITOR'S MESSAGE

It is hard to believe that another summer has come and gone so quickly. Once again during these past eight weeks old friendships have been maintained and new ones formed. Once again, the overriding feeling of love which fills our hearts every year at this time is present. Once again it is so difficult to say goodbye.

For me, this summer has been one where I have learned a great deal about people and myself. The opportunity to work with any group of children is one that I will always cherish, and one that I always hope to have. I have realized in this, my fifth summer at Dalmaqua, that it is you, the campers, with your spirit and determination that decides the success of the summer.

I would like to thank all those people who contributed to the writing and putting together of this yearbook, but especially Binnie for her patience while working with me.

To each and every camper and staff member, my best wishes for a happy and healthy winter and I hope to see you all next year.

EDITORETTE'S NOTE

(Unlike Barry, I will keep my comments brief)

It is here at camp that strong and lasting friendships are formed and here they continue to grow. The camaraderie that exists in camp is unique and follows us through the year. There were so many great times and so many great people it is sometimes difficult to recall them all and with this in mind I dedicate this yearbook to Camp Diane-Dalmaqua 1976.

HEAD COUNSELORS MESSAGES

From the Boys H.C.

They say that memories last forever, and I know that the many fine afterthoughts of the summer of 1976 will stay with me for a lifetime.

We were a united and spirited group at Delmaqua. A group of young boys and men who reached new heights during the summer months.

From the youngest Juniors to the oldest Collegiates, the campers exhibited spirit which has made Delmaqua more than just a sleep-away camp in the mountains.

The Juniors and Sophs, our youngest campers, (those little male chauvinists) got the dramatics season off to a great start with dynamic performances in the show "Liberated Women". The group also made like the pioneers of years past, camping out for cookouts and overnights on various occasions.

Our most rambunctious group of youngsters, the Cadet Boys, startled everyone with their talent on the ballfield. They were at their best during Boys Sing capturing lower camp laurels.

The Rangers, a bunch of rock 'em, sock 'em boys, demonstrated their skills and were surely a knockout during this year's Boxing Night. Their "Super Stars" competition paced the athletic trail for the other groups to follow. A night at Monticello Raceway was another treat for this group.

The Senior Boys believed in magic --- magic, which made them winners of this year's sing. The boys had the camp on their feet in rhythmic applause, watching in awe a show that may never be matched.

The Super-Seniors, a small division in size but extra-large in heart, made up most of this year's Under 14 basketball and softball teams. A never-say-die group, the Supers excelled in inter-camp competition. A large portion of them gained a high honor by passing their senior-life-saving tests.

And then there are the Collegiates, the oldest campers, and pride of this year's tremendous Under 16 basketball team. A trip to Saratoga was just one of the many journeys the boys participated in this summer.

This year's canoe trip program proved to be the greatest in Delmaqua history - as every boy in upper camp had a day out on the exciting Delaware rapids.

In Tribal War the mighty Seminole Tribe, straight from the beaches in Florida, broke the 2 year streak of Cheyenne, by winning the 6 week event. I'm sure we will all remember the last, half-court basketball shot in the Gitch and the suspense and final excitement of the point spread in the envelope.

The counselors got into the act also. The chant heard around Glen Spey was "4 and 0", having to do with the staff's 4 victories against an arch rival camp down the road. Counselor hockey looked larger and larger this year with some excellent talent and instruction being shown during a night activity.

Special thanks to a fine staff of counselors and group leaders for a job well done.

The summer has come to an end, but to me, and hopefully for each one of you, it is just a beginning for many fine things to come.

FROM THE GIRLS H.C.

As the camping season draws to a close, I can honestly say that my first year as girls H.C. at Diana-Dalmaqua has been a most pleasurable and satisfying one.

All the girls had a busy, action filled summer complete with all sports, overnights, off camp trips, participation in tournaments camp fires and excellent dramatic productions. Among the many summer trips taken was trips to High Point by upper camp, Moon Valley by the Pixies, Jungle Habitat by the Starlets and Coeds, concert, movie and dinner in Monticello by the Debs and Seniors and Saratoga for the Super-Seniors, Collegiates, CA's and CIT's. We ran an extensive overnight and canoe program, with all upper campers excitingly canoeing down the Delaware River and lower campers camping out, complete with cookout dinner and breakfast, marshmallow roasts and campfire singing.

Every division participated in our excellent dramatics program with the Pixies and Starlets doing an updated version of Grimm's Fairy Tales (Betty Friedan Style), the Coeds and Debs in Bye-Bye Birdie, Seniors and Supers in South Pacific and the Collegiates, CA's and CIT's in a fantastic production of The Wiz. Special thanks to Joel Ehrlich for marvelously adding a touch of Broadway to Diana as only he can.

The girls also ran its typically beautiful Sing this year, resulting in victories by our Collegiates, Seniors and Debs with the Collegiates being the overall winner.

We also had a very interesting and active athletic program culminating in our First Diana Invitational Volleyball Tournament. In this, our first tournament, we played beautifully and very skillfully but lost in three very close games to the tournament winner. We were very successful in numerous inter-camp competitions and in tournaments we were invited to participate in. We had exciting competition in our traditional Tribal League, Olympics and Color War, Bicentennial style. In all, we had a very successful athletic program with many skills taught to our campers.

Our specialty areas were represented by some of the finest people in the field of camping. Our campers were fortunate to receive expert instruction by Shelly Tennis, Betsy Waterfront (all but 4 girls became lake swimmers), Wojc Water-ski, Joel Dramatics and Neal Athletics. There are no finer specialists anywhere. My special thanks to all of you.

I have never before seen such a group of spirited, energetic and enthusiastic girls as those of Diana '76 and I want to thank all of you for a very special and rewarding summer. Thanks for a great effort put in by the entire staff of Camp Diana counselors for making summer 1976 the greatest for our campers. Special thanks to Sara, Binnie, Jan, Lisa, Gail and Vickie for being there when needed and being special to me.

See you next summer,
Stew

REPORT ON TENNIS

Tennis at Diane Delmaqua was a great success this summer. The campers were fortunate enough to have received great instruction, guidance and assistance from BOB RUBIN and SUE HARRIS. In addition, LEE GIBSTEIN and BILLY BERNE helped with the program.

The goals of the program dealt with all campers learning tennis skills and enjoying themselves. Each group in camp were exposed to the sport. Furthermore, many campers received extra private instruction throughout the summer. Another phase of the program was the tennis team which was involved in inter-camp tournaments.

The following campers worked especially hard in improving their skills; SARI SARDELL, DEBBIE ISAACS, PAMELA SHERLIN, SALLY KRUTECK, DEBBIE GORDON, DAVID KRAMER, RUSSELL PRINICK, JEFF LEIDOWITZ, JANINE COURT, DIANE SPANTON, MAXINE COHEN, STEVE LEWIS, LARRY GOODMAN, MURRAY SARWAY, BRAD LEFFE, FRAN KOCHMAN, TRACY GIBSTEIN, RICHARD KLOSMAN, HELENE BRACHFELD, JAIMIE TANNER, STACIE DWECK, RICHARD COHEN, LISA HIRSCH, TRACEY ROSENTHAL, BETH SASSMAN, JIMMY ARONOW, JON STIKERGO, DEBBIE EDEN and SUE LEVY.

There were many outstanding performers on the team; DEBBIE LEFFE, LAURIE RUBIN, CHERYL COURT, BONNI GIMBEL, ALLYSON KOVAT, DEBBIE ROSENBERG, ALAN KOSSOFF, JERRY GILBERT, MARK HOTCHKISS, ADAM PHILLIPS, GLENN SHAEVITZ, MATT SCHIFF and STEVE DRESCHER.

This has been the most rewarding experience in my tennis teaching career. Hopefully, many of the campers will be playing tennis this winter. Looking forward to seeing you next summer.

WATERSKI

This being my first year at Camps Diana-Dalmaqua. I thought there would be a period of adjustment as in all new situations. But this was not the case.

The directors, staff and especially the campers helped me tremendously and cooperated to the fullest. This, in turn, made my job of teaching water-skiing an unforgettable experience. It was really rewarding to view the progress of experienced skier's and to watch the thrill of campers getting up for the first time.

My program was designed to have campers progress in each area of water-skiing until they reached their potential. During the course of the summer we had many campers who made tremendous improvement and some who advanced to the point where they are now ready to take over my job. DRAMATICS PROGRAM

Upon completion of my second year at Diana-Dalmaqua, I can only say that it was a year of tremendous accomplishment for everyone connected with the Dramatics Program.

We began the season with the youngest children performing in a show entitled, "A Tribute To Women's Lib In Fairy Tales". All of the Pixies, Starlets, Juniors and Sophs were performers in this musical farce. Highlights were ELLEN GILBERT as Cinderella, LARA BERNSTEIN as the "Damsel in Distress", STEPHANIE DUSHEY as the Princess, DAVID GOODSTADT as the Hero, ALAN GALLATIN as the "Prag Prince", SCOTT AURNOU as the "Bad Guy", DAVID AUERBACH as the Wolf, LISA LAZARUS as Little Red Riding Hood and many others.

The second show as a fantastic production of "Bye Bye Birdie". Because the day after the show as Visiting Day, the parents of the children in the show were invited to the performance. And what a performance it was. Forty two children were involved and each and everyone gave a super effort. Outstanding performances were given by STEPHEN GOODMAN as Albert, SUSAN LEVY as Rosie, WENDY KORN as Kim, ALAN MALEH as Hugo, ROBERT HOLTZMAN as Mr. MacAfee, MAXINE COHEN as Mrs. MacAfee, DIANE SPANTON as Ursula, and LEON BIBI as Birdie. The parents were as thrilled as I was at the job all of the children did.

Our third show as "South Pacific", the story of the love affair between Emile deBecque and Nellie Forbush, underplayed by the romance of Lt. Joe Cable and the Polynesian girl Liat was done beautifully by the children involved. Outstanding performances were given by LAURIE BERNSTEIN as Nellie, LEE CHARLES as Emile, MARSHALL AURNOU as Billie, SUSAN LITTY as Bloody Mary, PAUL CHUMSKY as Brockett, JEFF WEISS as Satepot, ADAM PHILLIPS as Harbison, RICHIE COHEN as Cable and many others. We even had a real shower on stage for "I'm Gonna Wash That Man Right Out of My Hair".

The last show was a full length production of the current Broadway hit, "The Wiz". To say it was a fantastic success would not be describing and complimentary enough of the performances by the people involved.

A tender, emotional and talented effort was put forth by MICHELE WEISS as Dorothy, the Lion was played to perfection by ANDY CHARLES, The Tinman was done beautifully by DOUG SIEBEL and we had LARRY SIVITZ playing a "great" Scarecrow. Smashing performances were given by WENDIE BARSKY, as Adooperle and RODIN FRIEDEL as Aunt Em, ANDY BAUM was fantastic as "The Wiz". Outstanding and talented performances were given by JAKE TOPIOL, HILLARY SCHWARTZ, ALAN KROLL, LINDA BURNETT, JILL WEISS, BOB CIAMBRIELLO, SHERRI PEARLMAN, MARLA GOLLY, VICKI LIPPMAN, STACEY BLEI, BONNI CIMBEL, HEATHER AURNOU, MARK MOKOTOFF, JACKIE MCKNIGHT, NAZIRA ADES as Glina and SARA EHRLICH as the choreographer and lead dancer of the "Tornado Scene". So many people contributed to the success of this show, that it would be impossible to begin naming them. Special thanks to JANE KAMEN and her creative, beautiful choreography. JUDY ALTER'S meticulous and professional make-up. SARA EHRLICH and JUDY ALTER'S creative and gorgeous costuming and the talented and beautiful WENDIE BARSKY and her incomprehensible scenic design and effortless contribution.

We had children working on the technical aspect of the theatre who were exceptional (to the say the least). They were led by GARY HOLTZMAN, JEFF WEISS and EDDIE MONTAK. Some of these workers included SOL PEARLMAN, STEVE GREEN, DIANA ADES, BARI BLITZ and oh, so many others. Thank you all!

The music was done throughout the whole year by the amazing, patient and talented IRA MELTZER. For The Wiz we had three extremely talented musicians and artists in addition to Ira's piano. STEVE DOMENITZ on bass, ANDY MALINOPSKY on drums and the beautiful BETH MAIDENBERG on Flute. What talent! It was professional music done meticulously.

Remember is you are into Women's Lib, and you say Bye, Bye to Birdie, and you wind up in the South Pacific, go see the WIZ and Believe in Yourself.

THANKS everyone for a great summer.

I love you all.

Peace, love & happiness,

Joel

NATURE'S WAY

"And the Lord spaketh unto Sy and Ellie and said gather ye two of each animal that swims, crawls, walks or flies on the face of the earth." So began the summer of '76 at the nature hut.

(The following paragraph should be sung)

On the first day of camp a farmer came to me, with one billy goat, two suckling pigs and a turkey in a wooden cage. Then came LAUREN FEUERMAN with her three guinea pigs, and we had to give the nasty turkey back. In place of the turkey the farmer gave to us f-o-u-r domesticated ducks.

(You may now resume reading)

All seriousness aside, thanks to LAUREN FEUERMAN we had her three pet guinea pigs to study, hold, feed and clean up after, which was accomplished with the assistance of 2 great campers, ADAM (HURRY UP) GINDI and EVAN (THE FLASH) BLAKE.

During the course of the summer, we added many exhibits to our mini-farm. ERIC MOKOTOFF spotted and was of great assistance in the capture of our first garter snake which most of our campers, including Pixies and Juniors learned to handle. Just about every camper caught either a frog or a toad, because our terrarium seemed to be cramped and overflowing with them, but special mention must go to four Senior boys who caught the "Granddaddy of Dalmatians". Three ribets for DAVID KRAMER, GARY HOLTZMAN, KEVIN PADAWER and ALAN BERGER.

The Diana-Dalmatians Green Thumb Award must go to RALPH DWECK, DANIEL GOODSTADT, MARK BENUN, DEBBIE GERSHENSON, STACEY DUSH and BETH SUSSMAN for their energies and expertise in setting up our vegetable garden.

Special acknowledgements to DIANE SPANTON for teaching the ducks to waddle. IRA GOODSTADT for burning more leaves than any other camper. MAXINE COHEN and JODI MANN for watering the animals. BETH SCHARFMAN for providing T.L.C. to our pigs. JANICE REZNICK for walking Murgatroid, our goat. Nature girls '76 are HOPE SUTTENBERG AND BETH SCHARFMAN. MARK MOKOTOFF as resident mad scientist or general hanging around.

For the less serious side, I would like to take this opportunity to thank the many campers who because of their sensitivity, curiosity and general interest in our nature program, made my summer a truly enjoyable experience.

PHOTOGRAPHY

Photography 1976 has seen some devoted pinhole camera wizards. We started out the season taking self portraits in front of the lake. Because we had to sit very still for 34 seconds, we've developed a breed of statues, the likes of which have never been seen before. Others took pictures of Kimberly Hall, the ski dock and most lakeside sites.

On Visiting Day we had a large selection of photograms and pinhole pictures on display done by: ISAAC KAIREY, SHARI VALENTE, AILEEN MUNOWITZ, ERIC MOKOTOFF, SUSAN LEVY, MARK BENUN, MARY CARSON, WENDIE DARSKY, PAUL CHUMSKY, TRENA KAIREY, MARK BLITZ, LEON BIBI, TRACEY GOLDSTEIN, BETH SUSSMAN, JOHN PERRY, RICHIE COHEN, JANICE REZNICK, DAVID WOLFSON, DIANE SPANTON, ALAN GALLATIN, JIMMY ARONOW, BARI BLITZ, DONNA SCHIFF, JOEY DWECK, STEVEN DUBS, MICHAEL KRENTZIL, CRAIG BLITZ, STANLEY BETESH, BRIAN LEVAY, JANINE COURT and ROCHELLE GRAZI.

Instamatic cam-ras were used by DEBBIE GERSHENSON, RODIN KRAMER, ALAN GALLATIN and most instructional class students. Some learned 35 mm. photography such as DAVID WOLFSON, NAZIRA ADES, FRAN KOCHMAN, and others. By the end of the summer, SOL PEARLMAN, JAIMIE TANNER, MARK MOKOTOFF and a few others could work in the darkroom without any assistance from the instructor.

Even some of older boys were hoodwinked into self-portraits by CHADY. They are CRAIG PADAWER, SONNY PALACK, MARK COHEN and STEVE LIEBERMAN.

All in all it was a very enjoyable and productive summer down at the photography shack.

Have a good winter,
Elaine (Camera) Dielmann

"You have to do it once in your lifetime", so said one of our thriller conists, NEIL CAREN after having gone through five of the roughest rapids on the Delaware River this year.

With the assistance and cooperation of CHUCK PINE and PAUL (HOTDOG) GREENBERGER, we were able to take more campers on more canoe trips this year than ever before. We took out every boy's group from Rangers to Collegiates - an outstanding camp record.

Again this year the favorite concoction on our overnights was our famous "Some-more-ee" consisting of two roasted marshmallows, Hershey squares and graham crackers. Only 500 calories of good!

The Junior boys almost broke another record of sorts in going on two overnights. Only the weather did not cooperate. As we were finishing our dinner of steak and potatoes, etc., etc., it started to rain. So all they had was another wonderful evening cook-out.

Speaking of cookouts - will we ever forget those breakfast cookouts with STEW YAKER, a "Chef Extraordinary"? "French Toast - Eggs in a Basket - Eggs & Onions - Lox & Eggs" Yum! Yum! Good!

Many thanks to our Camper Assistant Pioneering Instructors - GARY HOLTZMAN, EDDIE MONTAK, JEFF WEISS, STEVEN ALTER, JON STIRBERG and RICHIE PERL. Without their aid and knowledge on the overnights and canoe trips, it would have been a little tougher on this "Old Gezer".

On the Ranger's overnight several of our boys - BRAD NOCHOMSON and LEE LAZARUS cut down a large dead tree for fire wood. To the campers surprise, ADAM BERNSTEIN found a family of very rare animals for this part of the country nesting in the hollow trunk. It was a family of five baby flying squirrels, about a week old, blindly crawling on the forest floor. Their mother was discovered flying or rather jumping from one tree to the other looking for her family. She even climbed up the old tree stump trying to find them. A consultation was held to decide what to do. We decided that we would put the nest in a #10 can and tie it to a tree when GARY HOLTZMAN suggested we take what was left of the old nest and portion of the hollow log that contained the entrance and place it in the can. This we did. All this time the baby squirrels were squeaking and the mother was jumping from tree to tree. After tying the nest to another tree, we sat down very quietly about 20 feet away to hopefully await the mother's return. We didn't know if she would return to the nest with the scent of humans now on her young even though I had used gloves to pick up the babies. After about 10 minutes we all gave a great sign of relief as we witnessed the mother cautiously come down the tree, circle the trunk several times near the nest and then enter the hole in the log that led to her babies in the #10 can below. Each camper and their Pioneering Counselor were thrilled by this tremendous display of mother love in the realm of Mother Nature at her finest.

May your hopes and dreams of this summer camp season all come true and allow me to wish you the best of everything in the coming school year.

STARS AND STRIPES
AND
ARTS AND CRAFTS FOREVER

Arts and Crafts was fun we hear
The perfect thing this Bicentennial year
The Debs and Sophs had lots to do
The Pixies, Juniors and the Seniors, too
There were things to paint and draw.
Things to hammer, glue and saw
Making mugs and pots of clay
Was the instructional every day
Use the wheel, around it spins
Watch the faces and the grins
Babey bracelets made from beads
Weaving baskets made of reeds
Tie-dyed shirts that are the rage
Glaze a plaque whatever your age
Paint a rock or a poster
Make a tiled and grouted coaster
Sew a hanging for your wall.
Glue a birdcage, short or tall
Color a mug for your dad
Make a clown's face, happy or sad.
Take a penny, shine it bright
To make a ring that fits just right.
Make a trivet for your mother
Braid a lanyard for some other
Make dipped candles from hot wax
Glue a puppet, name him Max
Make a mobile, hang it high
And now it's time to say goodbye
Hope your winter is just fine
Love and kisses from

GIRL'S WATERFRONT

The girl's waterfront finished up their swimming season in fine form with 95% of the girls as lake swimmers. LISA LAZARUS, one of our "starts" finished her 20 laps and promised to jump in next season. Our most improved swimmers were CARA BLUMBERG, WENDY KORN and MINDY GARTER. The Seniors and Super-Seniors finished the Basic Rescue and Water Safety Course and are now willing and able to assist the lower camp in swimming events. Our most popular programs were swimming the lake and tipping the playaks. All miles completed this season will be recorded and we expect many 10 mile swimmers next year.

Until next year,
Betsy

GIRL'S PIONEERING

Camp Diana had a new twist this summer; a pioneering program of its very own. This enabled more groups than ever before to participate in pioneering projects which included: overnight campouts, breakfast and dinner cookouts, calm water and white water canoeing, trips and cookouts to High Point State Park and other special events. Everybody had a great time and is looking forward to next summer when the program is further expanded. Wishing you a good school year and hoping to see you next summer.

BOY'S WATERFRONT

The highlight of this summer's waterfront activities was the Super-Senior boys and their dedication to completing their Senior Lifesaving Course. Lane Lines into the lake and a 500 square yard work area were set up for practice and lifesaving drills. Many boys and counselors were tough enough to successfully complete the course. JERRY GILBERT, ADAM PHILLIPS and JOEY RISHTY became experts at the lifesaving jump and dive. RICHIE COHEN and MURRAY SARWAY achieved excellence in blocking and turning victims. PAUL CHUMSKY and ANDY SHUSTER can save themselves and escape from headholds. STEVE DRESCHER, MARSHALL AURNOU and LEE CHARLES are outstanding Rescuers and can someday be excellent lifeguards.

Many boys joined the Lake Club this summer by swimming across and back the lake. Among the stars were ANDY SPANTON, IRA and DANNY GOODSTADT, STEVE ALTER, DAVID EBEN, EVAN BLAKE, JON STIRBERG, LEE "LOVER LAZ" LAZARUS and RICHIE PERL.

The Senior and Ranger Boys majored in water-polo. Water polo-stars were RUSSELL REZNICK, BRIAN LEVAY, MITCH GOLLY, JEFF WEISS and RICHIE PERL.

This year's Olympic Swimming Medal goes to CRAIG ZILUCK who outlasted FREDDIE ZALTA in the Marathon Swim, completing 29 miles in two and one half days. SCOTT AURNOU gets the kickboard award, and STEVE GOODMAN won the breatholding award. We are all looking forward to many more hours of swimming next year.

CANTEEN

Are you hungry? Want to eat?
Then put your shoes onto your feet
Run right past the big white rock
Take your money from your sock
Then get ready to bless your stars
And chomp on a candy bar from Mars
Snickers, bracelets, ice cream pops
Or Charlestown Chews are the tops
Have a sandwich, white or rye
Then lift your head up to the sky
Say a prayer for the bread
Then eat it slowly or gulp instead
Have some lemon, tea and honey
Just be sure to bring your money
Happiness is a canteen treat
'Cause a little snack can't be beat
Have your fill and be merry
Best of wishes, Rita and Jerry.

SPECIAL EVENTS

UNDER 16 B.B. TOURNEY TEAM

Camps Dien-Dalmaqua fielded a Under-16 Team consistent with the teams of the past in that they exhibited a spirited style of play. They practiced hard and worked hard to achieve the team concept.

In the opening round of the D.I.T., we took apart Camp Weequaic by a wide margin. Our pressing style of play was too much for the taller opponents. Standout performances included LEE GILSTEIN and MIKE COHEN off the bench. In the finals, we lost a well-fought game by 2 points to Olympus before a SRO crowd in our own home gym. Few will forget the fine play of our strong back court of Co-Capts, TODD WOEDUCK and STEVE RUSSQ.

In the Echo tournament forwards STEVE COHEN and LEE CHARLES, 2 promising stars of the future for Camps D & D, were high scorers with 24 and 16 points, respectively. The rebounding of ERIC KRAMER and JON "CHEMMY" FIRST complemented our scoring power.

This was a group of boys that were so easy to work with that it made the coaching end a lot easier.

Danny Shainis
(Coach)

UNDER 14 BASKETBALL TOURNAMENT

This year's Under 14 Basketball team was made up of a group of boys who began tryouts as a team of individuals and finished the season as individuals on one cohesive team.

In preparation for the Dalmaqua Invitational Tournament, the boys practiced as many as three times a day. These practices consisted of running laps and wind sprints and drills, in addition to working on various defensive alignments and offensive patterns. All 9 of the boys on the team had one goal, to win the D.I.T.

As the game approached, it was obvious that all players would have to make a contribution if we were to achieve victory. The bench, consisting of RICHIE COHEN, MARK LAZARUS, STEVE LIEBERMAN and ANDY SHUSTER worked as hard as the five starters and were prepared to step in at any time.

In the opening round of the D.I.T. our team was pitted against a physically bigger and stronger team from Camp Lokanda. STEVE DRESCHER and PAUL CHUMSKY started in the backcourt and both played a good floor game. The forwards, DAVE WARMUND and Co-Captain ADAM PHILLIPS gave 150 per cent against their bigger counterparts. The center, Co-Captain, LEE CHARLES paced our attack with 18 points including a string of 10 in a row during the 3rd quarter. In the end, however, we came up short and lost the game. Yet despite the fact that we were losing, our boys never lost their poise, hustle or desire and most admirably gave their all throughout the entire game.

The members of the team as well as myself would like to thank DANNY SHAINIS, MARC ISAACS and NEAL ARONIN for their contributions.

OLYMPICS '76

Mid-July at Diana-Delmaqua was similar to that at Montreal and at Greece centuries ago with the Olympic Games taking over for various nations. The morals of competition taught by many years of international togetherness of France, Switzerland, Spain and England was fiercely exemplified at camp. Sportsmanship was beautiful and the athletes were beautiful.

The day began with the opening ceremony, Mercury lighting the Olympic urn and camper-captains getting permission to enter. After the entrants, captains and judges pledged their allegiance to the games, the competitions began. All morning both boy and girl camps were close, but by afternoon it became evident that France would succeed at Delmaqua and Switzerland at Diana. Brilliant plays on the sporting fields, strong running and swimming helped these teams to gain prominence and win the Gold Medals for their teams.

The Head Judges, GAIL COHEN, BINNIE KIRSHENBAUM, MARC ISAACS and DAVE FINKELSTEIN would like to thank the judges, captains but especially the campers who gave it their all to make the Bicentennial Olympics at Diana-Delmaqua a great day.

TRIBAL WAR

For six weeks, every Wednesday afternoon (and on occasional Tuesday evening) and exciting competition took place between four teams; Cheyenne, Mohawk, Seminole and Apache, known as Tribal War. After many athletic activities, indoor games, and novelty events Seminole was in first place with Apache close behind in second and Mohawk and Cheyenne in third and fourth place respectively.

Highlighting and closing Tribal War activities was the Gitch; an all camp relay. The Gitch was thrilling as Seminole had the lead and Apache was in last place. The final event in the race is a half-court foul shot. The tension was thick as a representative from each team was shooting. It was a thrilling moment when LEE CHARLES of the Apache Team (which was trailing far behind throughout) made the shot on his third attempt and won the race for the Apache.

When the final scores were read Seminole emerged victorious over Apache, Mohawk and Cheyenne in the most exciting Tribal War ever.

Our thanks to the Chiefs, Young Chiefs, and the judges for all their cooperation.

CARNIVAL '76

Three pigs, four bunnies, 10 males and females with painted faces and crazy clothing, 20 of the ugliest kids you'd ever want to see. Sounds like a bad day at the zoo? A bad dream? A joke? No, that was just a few of the people and specialties you could see at Carnival '76. The counselors and campers alike really got into it and under the flags and lights on the tennis courts, clowns were making people laugh and prizes were making children smile.

This year many specialties thrilled young and old alike including the Ugly Contest, the Door Prize, Dunk the Counselor, the Hay Ride, ices and pretzels and especially the big six. At least 20 kids from lower camp put on all kinds of makeup and costumes to look as ugly as possible, and it worked out for three. The big six included 5 difficult games and Count the Candy contest. The only person to accomplish this was ADAM BERNSTEIN who won some wonderful prizes.

My thanks to SARA EHRLICH for her excellent assistance as well as STEVE GREEN, JON STIERBERG and many other campers for their aid as well. Hope all are looking forward to Carnival '77.

THE SARATOGA TRIP

The calm after the storm arrived when the Super-Seniors, Collegiates and C.A.'s departed for Saratoga, New York. Hurricane Belle was not a detour for a trip that began with STEVE LIEBERMAN'S cassette blasting Cat Stevens and 200 pop tarts being devoured in a record 7 minutes.

Arrival at stately and tranquil Saratoga was on time and we were graciously welcomed by all the fast food chains in town. By unanimous vote Jimmy and Ben's restaurant back at D & D won out for haute cuisine. McDonald's and Dunkin Donuts - look out!

As the sun set and the stars began to glitter, the fabulous Carpenters arrived on stage and for two hours we were entertained by one of the best performances we have ever seen. The highlights of the show included Richard Carpenter's rendition of a Spike Jones routine to their smash hit "Close to You". We agreed that Spike Jones' version rated a 65. We loved the words but couldn't dance to it. Their take-off on the show "Grease" was better than the original. The Warsaw Concerto, performed by Richard Carpenter was a delightful change of pace.

The trip will definitely be remembered by all who participated, as one of the highlights of their 1976 season at Camp Diana-Dalmaqua.

COLOR WAR 1976

The War of the Colors, Red vs. White culminated the competitive season here at Diana-Dalmaqua this year. In true bi-centennial spirit, the Red Tories, led by Generals HOWIE DOLGON and VICKIE LIPPMAN, along with Lieutenants ISAAC KAGAN and LORI NEWMAN, defeated the White Patriots, headed by Generals DANNY SHAINIS and DENISE SHAEVITZ and Lieutenants JEFF "WOJO" WOLVOVSKY and NANCY PERL, by six points.

The Color War was a see-saw battle, with each team holding the lead at one time during each of the 5 days.

White took the first big lead, a 30 point bulge in the morning of the second day, but Red made an astonishing comeback, amassing 70 points more than White in the afternoon.

The Patriots won both the rope-burning and water-boiling, and took a lead going into both Apache Relay Races. But the Tories were not to be denied, as they took the boys' Apache in minimum time and came back from a large deficit to win the girls' Apache.

And at the end, history was reversed, as this time the Englishmen defeated the Patriots.

GIRLS CAMP

PIXIES 1-76

The Pixies of 1976 have been the most energetic, entertaining, and fun loving division in camp. Starting at clean-up and ending at taps, the Pixies do a variety of activities. Our superstar newcomb players are Sarah Benun and Jennifer Aronin. The Pixies also love swimming and Jessica Weinstein and Fern Topiol have made the most progress in our group. In kickball, no one can top Jessica Stirberg! We all enjoy Arts & Crafts, Nature and Tennis. In cheering, yelling, and making the most noise all together, Amy Gallatin is our ring leader. She is also the most improved in tennis and spring ball. We have all played so many activities and had so much fun that we can't wait to come backyear after year to Camp Diana. Thank to Amy Winston.

Cindy Spanton

STARLETS STARS OF '76

Pound for pound, and inch for inch the most energetic group in Camp Diana was the 1976 Starlets.

The Starlets, led by Elizabeth Betesh, Kim Warrender, Elisa Jacobson and Stacia Dweck had a pretty successful athletic summer showing a winning record in inter-camp games and even giving the Soph boys some tough newcomb games in valiant efforts.

Among the special event highlights of the summer were trips to the Sparrowbush Circus and Jungle Habitat, and the summers first drama production, "A Tribute to Women's Lib" starring among others, the Starlets. Standout performances were turned in by Ellen Gilbert, Lara Bernstein, Lisa Lazarus, Stephanie Dushay, Lauren Feldman, Lisa Hirsch, Vicki Levy and Laurie Korn. The show was easily the dramatic high point of the summer.

The most popular activity for the starlets was swimming. Nearly all the girls passed their lake tests and several made great progress in difficult swimming skills including Bonnie Solo, Sarah Chumsky and Lori Green.

Socially, the Starlets were the most active girls group, with most of them having several different boyfriends at the same or different times of the summer.

1976 certainly brought into the Diana spotlight the best group of 7,8 and 9 year old girls in many years.

COEDS 1976

Now that summer's over the Coed girls can look back with fond memories of the greatest summer ever. We've all had many new experiences and have learned a great deal; about sports, crafts, nature and friendship.

The newcomb court has been a favorite spot for the Coeds with Janey Lieberman, Randi Blitz and Alyssa Balik being our star athletes there. Waterskiing has been a new experience for many Coeds. Next summer, it looks as though Shari Valente, Janice Reznick and Julie Landman will be advanced skiers. Beth Sussman, Tracy Goldstein and Tracy Rosenthal may be headed for Forest Hills after a successful tennis season at Diana. Debbie Gershenson is our photography expert and Susan Levy stole the show in Bye Bye Birdie as Rosie.

At the Arts and Crafts shack, creativity and talent emerges from Cars Blumberg, Lesley Topiol, Stacy Bush and Janet Maidenberg.

We had a busy summer, activity filled days and nights. As well as trips out of camp. We went bowling, to the movies, Fort Delaware and Jungle Habitat.

It's been a great summer. Have a good winter and we'll see you next year.

Binnie Kirshenbaum, Group Leader
and the Coeds.

The summer has drifted by and as the Deb girls must leave camp, we can all look back on many beautiful experiences shared here. As the days passed the bonds of friendship grew stronger. We learned to live together as a unit and help each other out whenever possible.

This summer has taught us that it is possible to play and work together. The Deb girls excel in all areas of camping life. All of the girls have been lake swimmers since early in the summer. Robin Kramer, Diane Spanton, Susan Bernstein, Rochelle Grazi, Jodi Mann, Lauren Schwartz, Cathi Pearlman, Nancy Cohen, Susan Albert, and Maxine Cohen all swam the entire lake and back at least once. This summer Cheryl List, Wendy Korn and Beverly Cohen are a few of the girls that learned this summer how enjoyable it is to waterski.

Our favorite sports are newcomb, softball, soccer and kickball. At Diana as the summer progressed, we not only loved to play but improved our skills and each game became more and more exciting. In newcomb Janine Court has learned how to place the ball in the right spots and her serve can't usually be returned. Mary Garson and Helene Brachfeld have become pros in softball. All of the girls are terrific and when we play softball, others come to watch. As defensive players in soccer, Aileen Mandowitz and Ellen Cabasso refuse to let the ball by them. This summer we graduated from line soccer to the real thing. Stacey Kassir is an asset to her kickball team not only in the field, but also has brought in many runs.

The girls truly do a great job at all activities. Among the most enjoyable is Tennis. Shelly has been a great help us in teaching us to have many long rallies and the proper way to serve.

In our show, "Bye Bye Birdie", Wendy and Maxine had major parts. All of the girls were in the show and it was one of the big successes of the summer, thanks to Joel.

Linda Bennett, Jill Weiss, Lori Newman and Jacqueline Reisan have been wonderful to us and an enormous help to Jan. We thank them.

The summer would not have been complete without Ellen Garlin and Susan Harris. They shared with us their beautiful selves. They gave us a large part of themselves each day and always woke us up to raid at night. Our social lives would have been much duller without them.

Though the summer is ending and we go our separate ways for awhile while it has been "a dream world summer, rainbows and sunny day. Wishes come true with an eye blink. Blue skies shine right through the haze". That was part of the Deb Alma Mater. We all worked hard to make sing as great as it was. We were very proud to come third this summer. There is no better way to describe our feelings towards camp than the last line of our Alma Mater. "Come and link arms with the Deb girls cause the Debs won't ever say goodbye". We will keep in touch over the winter and look forward throughout the year to returning here and being able to share a wonderful summer once again next summer.

SUPER-SENIORS '76

The summer at Camp Diana-Dalmaqua has passed too quickly for the Super-Senior girls. In the past few weeks every camper has had great accomplishments in athletics, drama, making new friends, learning new songs, in addition to acquiring the skills of blow drying their hair, raiding without getting caught, and waking up at reveille.

The Super-Seniors are always full of spirit and mischief. They displayed their great camp spirit in volleyball and softball against Ms-Ho-Gee, Colang and Chippenaw. Debbie Fien, Paulette Grazi and Amy Frank were the stars in the outfield while Susan Litty and Lori Knieter showed great courage catching Eben's pitches. Lori Pearlman, Debbie Seltzer and Debbie Gordon showed a great performance on our volleyball team in intercamp.

Wait a second! Where is Caryn Montak and Lisa Kahn? Only Joel knows for sure. Cheryl Court and Laurie Rubin displayed their talent on the tennis courts, during instructional, free play and at the tournaments. The smallest, but energetic Laurie Bernstein showed off one of her many talents in South Pacific. We heard Wojc applauding the loudest.

Alice Lindemauer, Leslie Jewel and Stacey Garlin helped to undo the confusion that was always present with five Lauries or is it Lori, and 3 Debbie's or is it Debby.

It has been most memorable sharing this summer with a sensational group of super-senior girls. Thanks to Lori Walters, Nancy Herzog and Jackie McKnight who did a fantastic job of adding spirit to the group.
Gail Cohen, Group Leader

THE CA GIRLS

Before reveille you can find a group of girls jogging at least five miles a day, two on a rainy day, and after that be in the dining room before first call. After breakfast they go straight to the bunks where they sweep the floor, make their beds, clean the cubbies and wash behind their ears.

Just then the maintenance come in the clean the sinks and toilets, but...Are they dirty? Are they stuffed? No! The girls clean them themselves. Who are these Masked Marvels? Where do they come from? Are they the marvelous CA girls? Do they come from Diana? Yes. It's the CA girls of Diana.

The CA girls would like to share with you the feelings of a beautiful summer that we spent together. In times of need, one of us was always there to help another. But we've shared more than our troubles. We've shared our hopes, dreams and happiness. To Elaine, our counselor, our guide, and most importantly, our friend, we dedicate this paragraph. We love you!!

We give thanks to Diana for joining us and keeping us as one.

SENIORS '76

"Friendship is a priceless gift
That can't be bought or sold,
But to have an understanding friend,
Is worth far more than a piece of gold."
H. S. Rice

Camp Diana has taught the Senior girls of 1976, what friendship is all about. Living together for two months has helped our group of twenty-two become united as one. Each and every one of us has learned something new from the varied experiences that we have encountered. Due to the strong bonds between us, the Senior girls are proud of our many achievements.

One of the highlights of this summer was our runner-up position in Girls Sing, losing to the Collegiates by only nine points. The voices of Diana's largest division rang out in unison underlining our spirit and vitality. Our scenic backdrop was creatively constructed by Fran Kochman, Tracey Blumberg, Sally Kruteck and Helen Weigand.

The Senior girls have excelled in many areas of athletics. At the beginning of the summer, representing Camp Diana's under 13 tennis team were Debbie, Leffe, Debbie Isaacs, Sally Kruteck, Fran Kochman, Pam Sherlin, Diana Ades and Lori Schwartz. Since then, all of the girls have worked hard to improve their serves, forehands and backhands. In addition, 11 girls participated in the under 14 volleyball tournament. Under the supervision of Neil Aronin, the following girls Sally Kruteck, Pam Sherlin, Tracy Gibstein, Debbie Isaacs, Debbie Leffe, Sari Sardell, Diana Ades, Lisa Laitman, Donna Schiff, Tracey Blumberg and Mindy Gleich practiced constantly to master the skills that helped make them a dynamic team. Furthermore, Sally Kruteck and Debbie Leffe were members of the under 16 softball team. Even though they were the youngest campers to qualify for the team, their abilities helped lead the way to the finals at camp Ma-Ho-Gee.

Down at the waterfront, all of the Senior girls have passed their lake tests. Special mention goes to Dana Berger for her improvement in swimming. One of our best times this summer was the canoe trip on the Delaware River. Led by Chuck Pine, our pioneering counselor, the senior girls went racing down the rapids showing us their expertise in canoeing.

In the area of dramatics, Robyn Kasson, Sally Kruteck, Dana Berger, Mindy Gleich, Debbie Leffe, Mindy Garter, Fran Kochman, Pam Sherlin and Sari Sardell performed beautifully in the play, "South Pacific".

At Camp Diana's carnival, Bari Blitz, Treva Kairey, Nancee Hanan, Gayle Mckotoff, Lesley Auerbach and Andrea Kassel helped us set up and design our two booths; Dart the Salsami and the Marriage Booth. As usual, carnival was a big success.

The camp provided many opportunities for the Senior girls to go on trips this summer. On the first trip to Middletown Mall, we all enjoyed a leisurely afternoon of shopping. Soon after that Bunk 8 went to see the Carpenters at Saratoga while Bunks 9 and 10 spent a full day at Monticello enjoying a movie, dinner at Kaplan's, a trip to the Penny Arcade and an evening concert with Bobby Vinton. Our final trip was a lovely day to the beach at High Point State Park. The Super-Seniors will never forget their summer at Camp Diana filled with loving, caring and sharing. Until next year, with love. Lisa

COLLEGIATES '76

Love, sharing emotions and lending your mind and body to others. The Collegiate girls have given each other love from the first day they arrived. The returning campers helped the new campers get settled and into the swing of things. It was beautiful, but then again all the Collegiates are beautiful. Even the boy Collegiates and their counselors were united with us. We had a really dynamic group of girls this year:

DEBBIE POLLACK - always laughing and joking, trying to make everyone have a good time.

LAINIE SIMON - excellent in water skiing, strives for perfection.

HILLARY SCHWARTZ - she'll be another Jon Newcomb

LINDA FIELDS - Her generosity is overwhelming

HILLARY KLOMAN - we think Hillary will soon be playing with Pete

JANE TOPPOL - good sportsmanship is shown in anything and everything and she does almost everything.

SUE GOLDSTEIN - improved immensely in all sports

LISA ALTER - all around athlete, excels in swimming and volleyball.

JACKIE SCHWARTZ - best voice, a great water skier, slides gracefully

MICHELE WEISS - Dorothy in The Wiz. She's just as good as Judy Garland was anyway.

DEBBIE ROSENBERG - she's up there with Chris Everett.

RACHEL BETESH - She never gives up. A very good 3rd baseman in softball.

JACKI REZNICK - Whenever you need someone to do something she's always there.

DEBBIE ZIMET - Excels in swimming, track and field.

In conclusion I must say "Love is contagious and the Collegiates are spreading the disease".

Sealed with a kiss,

Vicki

BOYS' CAMP

JUNIOR BOYS 1976

Smallest in size, but biggest in heart, were the Juniors in 1976. Led in athletics by Darin Silver, the Juniors showed spunk in everything they did. Jeff Auerbach and Chris Golly were active at all hours and excelled in Snatch the Club and Line Soccer.

Astounding progress in swimming was seen from Barry Weissman, Adam Yaker, David Goodstadt and Jay Jay Pine, who all added skills they lacked at the summers outset.

The Junior Show, "A Tribute to Women's Lib" and trips to the Sparrow Bush Circus and Moon Valley were just a few of the big Highlights of a great bicentennial summer for the greatest and cutest boys in camp, the Junior Boys, ably led by Jack and Larry.

Julian Kaplan Group Leader

SOPHOMORE BOYS 1976

A blend of youth and experience characterized the Soph Boys of 1976. Third year campers Andrew Spanton, Reid Drescher and Eric Mckotoff showed the way as the sophs climbed into contention as the best clean-up group in camp.

Led by top athlete Marc Blitz and Danny Goldstein, Troy Rosenthal, and Eric Golly, the Sophs had an undefeated season in intercamp games..

In Drama, the Sophs helped put on "A Tribute to Women's Lib." Leading roles were played marvelously by Alan Gallatin and Scott Aurnou. Those two, along with veterans Matthew Phillips and Ralph Dweck showed great improvement in swimming.

Despite the final scores, the Sophs know they had the best cheer in Boys' Sing and only their small number kept them from sweeping the whole show. Their individualized cheer was easily the best.

On the fields or off, a great bunch of guys, at times so wild that they fit right in when they visited Jungle Habitat, Soph Boys of 1976 put maximum effort into camp and derived maximum benefit from it as well.

We look forward to seeing them all back in 1977..

Julian Kaplan Group Leader

CADET BOYS 1976

The Cadet Boys are without a doubt the most energetic group in camp. We have a full schedule of activities and we love to play them all. The Waterski instructor was amazed at how many of us were able to "get up." Danny Goodstadt, Scott LeVay, David Auerbach, and Joey Dweck are our best skiers.. Softball is one of our best sports in intercamp games. Scott LeVay is our starting pitcher, Kevin Raab catches. The rest of the infield consists of Steven Goodman at first base, Robert Sternberg at second, Michael Krentcil at shortstop, and David Auerbach at third base. Isaac Kairey and Mark Benun are relief pitchers, in addition to playing the outfield.

Carnival was lots of fun for us. All the boys helped set up our booths. Sandy Fisher and John Perry dressed up as monsters and both won the ugly contest.

On the stage, the Cadets made a big hit with "Dye Bye Birdie." Sandy Fisher, Eric Weiner, Robert Holtzman, Steven Goodman, and Danny Goodstadt were all in the cast. The Cadet boys were also the lower camp winners of sing. We just missed first place of the entire camp by four points! Eric Weiner, Isaac Kairey, and Mark Benun alternated words in introducing the songs. Steven Gindi, Marc Weissman, and Jeff Goldstein were some of our very strong voices in the group; Steven Goodman had a solo in the cheer.

All of us had a great summer of 1976, and we're all looking forward to being the Rangers of 1977.

Maury Marmor

Group Leader

RANGERS 1976

Being the best athletes on the camp as Cadets a year earlier, the Rangers of '76 had a lot to prove. With all the newcomers they not only matched last year but surpassed it. Athletics were popular but so were specialties such as trips, Olympics, Tribe War and Color War. Something new but very important was women!!

Despite playing opponents bigger and older in many cases, we had leaders in various sports and made great showings in intercamp competition. Alan Kossoff, Eric Sternberg and Mike Jamal took over the basketball courts and dribbled circles around their opponents. Softball, our specialty, sported many great players, led by the "vacuum cleaner" at 3rd base in Rich Krentell. Other stars on the diamond included Steve Green, Alan Walsh, Leon Bibi, Sammy Cohen and Brad Nachanson. A special mention should be made of Rich Klorman, starting pitcher for the team. He started for the under 13 team, but injured his finger in the middle of the summer, before he could reach his peak of excellence.

Hockey was a favorite of many and Alan Jamal, Ira Goodstadt, Jeff Phillips and David Eban's supreme defence as well as offensive finesse, gave the Rangers of '76 a powerful and dangerous team. Here again a special note should be made for Norman Levy who excelled in many sports, but his fierce checking supplemented the team enormously. Tennis, America's up and coming sport, supplied some up and coming stars in Jimmy Aronow, Jeff Liebowitz and Mike Gindi. Everyone's favorite water skiing was led by Steve Alter, Lee Lazarus and Adam Bernstein.

The Rangers had many enjoyable trips including bowling, movies and canoe trips, with two special concerts highlighting the summer. The girls camp however, supplied much activity, especially in the evening (and even a little later than that!!) The Rangers resident Romeo and all around playboy was undoubtedly Jon Stirberg, an athlete and leader as well.

The summer of '76 was an enjoyable one for me and the best counselor staff on the camp of Jeff Fried, Mitch Isaacs (possible rookie of the year) and Steve Zabriskie indeed contributed to that fact. A wonderful winter to all and remember, "Power to the Rangers".

Dave Finkelstein,
Group Leader

If there is mischief and chicanery, there is a Senior boy around. This group is possibly the most versatile one in "Dalmaqua history", leading the way athletically as well as in the performing arts. They more than held their own with a difficult inter-camp schedule, as well as casting a spell over the entire camp when they performed their magic as they swept Boys' Sing. The spirit and solidarity of the group on that particular night was unsurpassed and it will surely be remembered for a long time by the entire group.

As with any group, this one is made up of 24 unique (in every sense of the word) individuals. Our all around handy-man Eddie Montak, Gary "Moose" Holtzman, and Jeff "Mellow" Weiss are on constant call, by Richie, Herb and Joel - and as a result can be found anywhere but at group activities. It has been said that Alan Jacobson and Adam Gindi have their eyes on Mark Weinstein's job. David "Wolfie" Wolfson, the "What it is?" man, Russell Resnick, Steven "Mesi" Dweck, Sol Pearlman perform their wizardry at hockey. Steven Dweck also proved to be a fixture in short center field. On the basketball court, the Oceanside contingency Jeff "Box" Wells stepped right into the starting guard position and never let up, and Alan Berger creased the boards. On the competitive level, softball was the group's most successful activity. As the season progressed the team began to jell, with the highlights being a defeat of the 14 year olds from Oxford-Guilford and the silencing of the Rangers paced by a 3 - Lit, 7-0 Shut-out, led by the pitching of Mitchell Golly. This team consisted of our all-around athletes, led by Brian "Dabe" LeVay and Mark "Hotch" Hotchkiss. Neil Caren, Stan Detest, the "greatest and fearless (?) " David Kramer, Craig "Catfish" Blitz, and Jack Ades, Mike Dushey, Gary "Moose" Holtzman, Alan Cohen, and Jay Goldstein fill out the field.

Camp would not be the same without what we shall call extra-curricular activities. They are paced by the "Midnight Men", Richie Perl and Mitchell Golly, Richie is also the group's answer to Aquaman. While these men go into motion at midnight, Kevin Pedewer seems to constantly make time with girls camp as well as being an excellent athlete.

This group of boys will remember many things from this summer: inter camp, Tribal, the trips to Monticello, Tony's, and many other activities and trips too numerous to mention, but most of all they will remember the experience of living and growing together, and the friendships that have been made and continue on through the years--because in the end that's what camp is about. Take care boys, stay good--and keep growing. A very special thanks to Steve, Andy, Stan, Mesi, Doug and Richie--for making this great summer.

SUPER SENIORS 1976

The mellow Super Seniors have completed one of the most enjoyable summers ever had here at Dalmaqua. They have taken advantage of the many opportunities available to them both on and off the athletic fields. Throughout the course of the summer the Super Seniors have demonstrated their proficiency in all facets of camp life.

Our intercamp record was good, particularly against Lokanda Murray Sarway and Richie Cohen were our two softball pitchers, and Joey Rishy anchored the infield. Larry Goodman and Steve Dubs were big contributors to both our soccer and hockey teams.

The under 14 P.I.T. team was dominated by Super Senior boys. Paul Chumsky, Andy Shuster, Dave Warmond, Steve Drescher, and Co-Captains Adam Phillips and Lee Charles all worked hard and practiced daily.

Tennis was another activity frequented by the Super-Seniors. Saul Jemal and Jimmy Betesh improved over the summer and Jerry Gilbert was one of the mainstays of our intercamp tennis team.

The Super-Seniors were very much involved in the outstanding production of South Pacific. No one will ever forget the unique dimension that Marshall Armon added to the character of Luther Billis.

Saratoga, Color War, Tribal, the Middletown Mall, Canoe Trips, and the myriad of other unique activities that have highlighted this summer, have all contributed to an outstanding season.

It would be grossly unfair if I failed to mention two people who have helped make my summer one of the most enjoyable in all my years of camping. Larry Spaulis and Bowie Vulcan, our general counselors, really did a great job all year. To my 15 campers, I wish a happy and healthy winter and all my thanks for the great time we all had.

DARRY CHARLES Group Leader

COLLEGIATE BOYS 1976

The summer of 1976 has come to a close all too soon for a group of very spirited guys. This group is the Collegiate Boys, led by their very able leader, Bob "Chamby" Ciambriello. The group has been victorious in many ways.

Although the group has some new campers, the group really came together. In basketball the group is great and there are people on both the under 14 and under 16 teams. One the under 16- Mike Cohen and Steve Cohen. On the under 14 Mark Lazarus.

There are some of us that prefer quieter activities such as water-skiing, in which Steve Lieberman, Mark Cohen and Sonny Falack excel.

When it comes to drama, Mark Mokotoff has appeared in The Wiz. Tennis is something the group enjoys with Glenn Shaevitz and Brad Leffe leading the pack.

The group has gone on a few trips this year, some nearby, like to the Glen Spa and intercamp games and others not so close such as to Monticello for movies, Middletown Mall and some guys went to Saratoga for the Carpenter's Concert.

The rest of the group has their own specialties - Craig Padawer in Soccer and Evan Diako in swimming.

As for counselors in this group, we have Bob "Chamby" Ciambriello for group leader, Isaac "Icky" Kagan, Robert Rubin (also ass't. tennis), and Les Kaminoff.

So as you can see the Collegiates are a great group. Signing off for the Summer of '76.

Mark "Moke" Mokotoff

C A BOYS 1976

The CA boys were very active this summer. They excelled in such activities as sleeping and losing tournaments. But the CA boys did achieve the unity and spirit that has made them the number one group in camp. This is the first year that the CA boys were really our every day and working hard in their designated jobs.

"THE CAST OF THE CA'S"

JON FIRST Jon was actively involved in our basketball program (sure!). He also played waiter basketball and excelled on both Dalmaqua under 16 basketball and softball.

TODD ROEBUCK Following in the footsteps of his brother Jay (History), Todd was assistant water-ski instructor and led in group tans. He also was a starter on under 16 basketball and softball. He was also a member of the Waiter basketball team.

STEVE RUSSO Steve joined us late this summer but immediately made a name for himself as highscorer in the D.I.T. under 16. He also plays waiter basketball.

ERIC KRAMER Eric is best known for his swimming ability but has not been in the water more than once. (But who cares!)

ALAN COHEN Alan is a nice kid and did a good job in the canteen.

LEE GINSTEIN Lee holds the record for the most amount of diets during this 8 week period. Lee has been outstanding in the tennis program and is a great asset to the tennis staff. Lee played on under 16 softball and basketball. He also told funny stories.

BILLY BERNIE Billy is best remembered for his romping victory in inter-camp Lokanda tennis. He is also remembered as an underdog in the Matt Schaff - Billy Berne Brawls. He also played under 16 softball and did well.

MATT SCHIFF Matt just completed his 8th summer at camp and as usual he is still the top softball player around. He also played outstandingly in intercamp games. Matt is strong and powerfull (But who cares!)

ANDY CHARLES After an outstanding performance as the lion in The Wiz, it is clear he is "Star" material. Andy is a fine tennis player and can sing (But who wants to listen!).

All kidding aside, we really want to thank Chamby and Richie for making this the best summer for all of us.

" THE C A'S "

WAITERS 1976

The 1976 Waiters were really a very active group. In intercamp games, the waiters came away about even. The basketball team lost at home to Annaba at home, even though they put up a good fight. A heavy softball schedule of 2 games featured a loss to Lokanda at home, and a revengeful 13-2 killing at Lokanda.

Special awards this year go to Gary Weiner, Phil Weinstein, and Howie Weiner (quickest clean-up), and Andy Malinofsky (golden snow shovel award).

And last (and least) we would like to thank our great head-waiter, Alan Kroll, who got us up in the morning. It was Al's strict disciplinary tactics that kept us in line all summer. We'd also like to acknowledge our hard working "assistant head-waiter", Hot Dog (Paul Greenberger), for no apparent reason.

In conclusion, we would like to thank everyone we served for being so cooperative and making our summer quite a memorable one.

Until next summer,
NIG BIRD (Bob Malos)

Now that night is near and day is far
We sing to you
Dalmaqua

Childhood memories are filled with you
Harmonizing thoughts that linger through

Lakes serene and calm and gently drawn
Trees surround our hills
In soft adorn

Our camp, our very own
Our love for you, We now have shown
Drift unto the dawn
For all is well

Many years from now, we'll sing this song
